

CIPS Examination Centres

Please note: It is recommended that you contact the centres directly before you book any exams.

In addition to the unit examination fee payable to CIPS at the point of booking, a supplementary administrative fee is usually charged by the exam centre. You should contact the centre where you wish to take your exam before completing a booking for details of this supplementary fee. If you do not pay the required fee, you may not be able to take your exam, and you may lose your assessment fee.

Upon contacting the centre, please also check they will be open for the exam sessions you require in May, July or November.

*Exam centres listed are current on 11.04.18. Please be aware they may discontinue as an exam centre with 3 months' notice

Country	Centre Name	Town/City	2018 Dates confirmed
