PROGRAMME: MSc Procurement and Supply Chain Management (Full Time) (NY)

ROUTE/CONDITIONS: As defined in Appendix 1

VALIDATION DATE: 1 September 2016 – 31 August 2017

1. A condition of accreditation requires the University to ensure learners are aware of CIPS and encourage membership of CIPS during their period of study.

2. Learners who successfully complete the above programme and meet the conditions specified may apply for MCIPS, the globally recognised standard for procurement and supply management professionals. Applications must be received within five years of the date on the degree certificate. Acceptance will be subject to the submission of a formal application form and evidence of three years’ experience in procurement and supply management in a position of responsibility. Entrance and membership fees applicable at the time of admission to CIPS will be payable.
