
ACCREDITATION STATEMENT

CIPS Accredited Degree route to achieving the status of Chartered Procurement and Supply Professional

ISSUED TO: University of Dubai – Dubai Business School
PROGRAMME: MBA in Logistics and Operations Management
ROUTE/CONDITIONS: As defined in Appendix 1
VALIDATION DATE: 1 September 2017 – 31 August 2018

1. A condition of accreditation requires the University to ensure that learners are aware of CIPS, to encourage membership of CIPS during their period of study, and to ensure that all those with an aspiration to achieve Chartered Status are aware of all the conditions of CIPS accreditation and specifically the requirements for Chartered Status, which are listed in Appendix 1 of this statement.
2. Learners who successfully complete the above programme and meet the conditions specified and also satisfy the full eligibility requirements for CIPS Chartered Status may apply for the enhanced membership designation of a Chartered Procurement and Supply Professional. Applications must be received within five years of the date of the degree certificate. Acceptance will be subject to:
 - i) the submission and acceptance of a formal application for the accredited degree route to Chartered Status
 - ii) evidence of satisfying the full eligibility requirements
 - iii) the payment of the application and subscription fees applicable at the time of admission to CIPS
 - iv) successfully passing the assessment elements of the CIPS accredited degree route to Chartered Status
3. This Statement is renewable annually and is subject to a review process which requires the University to provide details of any relevant changes to the programme, particularly as they relate to content, structure or standard. Previous versions of the programme are not automatically accredited.
4. This statement applies solely to the programme and institution mentioned above. Any other programmes, however similar in content, structure or standard are not included and must be accredited separately.
5. CIPS reserves the right to withdraw its accreditation of this programme if it becomes evident that the content, structure or standards have deviated substantially from the original programme or, in the opinion of CIPS, further association with the programme brings CIPS into disrepute.
