

Rob Morgan J.P. LLB

Rob has over 35 years' experience delivering purchasing and supply chain improvement initiatives. His experience has been gained whilst working with some of the leading professional services firms including:

- ❑ Rob Morgan Associates - Managing Director - Supply Chain/Procurement Transformation
- ❑ Deloitte & Touche Business Consulting - Partner Procurement & Supply Chain
- ❑ Arthur Andersen Business Consulting - Partner Procurement & Supply Chain
- ❑ KPMG Management Consulting - Director Supply Chain & Procurement Process Redesign
- ❑ PA Consulting Group - Senior Manager - Supply Chain & Procurement Systems

He designs and delivers pragmatic supply-side solutions that are benefits focused and which directly help the organisation improve their business performance. Specifically he helps organisations drive towards supply-side excellence through a range of inter-related services including:

- ❑ Strategy Development and Implementation
- ❑ Business Performance Improvement
- ❑ Change Management
- ❑ Innovation
- ❑ People Development
- ❑ Transformation Leadership Coaching/Mentoring.

Rob was appointed as a CIPS Certified Assessor in 2003. He helped develop CIPS accreditation products including the CIPS Gold Standard (the 'genesis' of the current CIPS Procurement Excellence Programme (PEP)). Furthermore, he carried out the role as CIPS Centre for Procurement Leadership (CPL) Programme Director for over 3 years.

Rob has worked with many organisations on their specific CIPS accreditation programme. His Procurement and Supply Chain experience spans products and service-based organisations in both the public and private sectors including: CPG, Food & Beverage, Engineering, Telecommunications, Media, Local/Central Government, Energy/Utilities, Transport and Financial Services.
