

ACCREDITATION STATEMENT

ISSUED TO: University of Strathclyde

PROGRAMME: MSc Supply Chain and Operations Management (6982.1.4)

ROUTE/CONDITIONS: As defined in Appendix 1

VALIDATION DATE: 1 September 2015 – 31 August 2016

1. A condition of accreditation requires the university to ensure candidates are aware of CIPS and encourage membership of CIPS during their period of study.
2. Candidates who successfully complete the above programme and meet the conditions specified may apply for full membership of The Chartered Institute of Procurement and Supply. Acceptance will be subject to the submission of a formal application form and evidence of three years experience in procurement and supply management in a position of responsibility. Entrance and subscription fees applicable at the time of admission to CIPS will be payable.
3. This Certificate is renewable annually and is subject to a review process which requires the University to provide details of any relevant changes to the programme, particularly as they relate to content, structure or standard. Previous versions of the programme are not automatically accredited.
4. This Certificate applies solely to the programme and institution mentioned above. Any other programmes, however similar in content, structure or standard are not included and must be accredited separately.
5. CIPS reserves the right to withdraw its accreditation of this programme if it becomes evident that the content, structure or standards have deviated substantially from the original programme or, if in the opinion of CIPS, further association with the programme brings CIPS into disrepute.
