

ACCREDITATION STATEMENT

ISSUED TO: University of Cape Coast (005437394)

PROGRAMME: Master of Commerce in Procurement and Supply Chain Management

ROUTE/CONDITIONS: As defined in Appendix 1

VALIDATION DATE: 1 June 2018 – 31 October 2019

1. This accreditation requires the University to:
 - a) communicate the fact and requirements of this accreditation to eligible learners
 - b) ensure that learners are aware of CIPS
 - c) encourage them to take up membership of CIPS during their period of study
2. Learners who successfully complete the above programme and meet the conditions specified may apply for full membership (MCIPS) of The Chartered Institute of Procurement and Supply. Applications must be received within five years of the date on the degree certificate. Acceptance will be subject to the submission of a formal application form and evidence of three years' experience in procurement and supply management in a position of responsibility, and to any further specific requirements for membership in force at the time of application. Entrance and membership fees applicable at the time of admission to CIPS will be payable.
3. This Statement is renewable annually and is subject to a review process which requires the University to provide details of any relevant changes to the programme, particularly as they relate to content, structure or standard. Previous versions of the programme are not automatically accredited.
4. This Statement applies solely to the programme and institution mentioned above. Any other programmes, however similar in content, structure or standard are not included and must be accredited separately.
5. CIPS reserves the right to withdraw its accreditation of this programme if it becomes evident that the content, structure or standards have deviated substantially from the original programme or, if in the opinion of CIPS, further association with the programme brings CIPS into disrepute.
